DAY 1

We begin at check-in at our hand-selected hotel with your footy-mad teammates. You'll meet your Trip Captain before heading out to the Ibrox where we'll start to learn the history and culture of both iconic clubs.

Later, we enjoy drinks and a traditional tattie in The Loudon Tavern.

DAY 2

Start the day at Celtic Park leads on **footy**-themed tour inspired by the city's rich history and the club's sectarian roots.

We then get up close and personal with the streets of Glasgow as you scrape away the shiny surface and uncover the dark underbelly of this great seafaring city.

Discover where it all started with a football Masterclass by a local footy journo at Bar 67 before enjoying a round on Eric as you rub shoulders with real Glasgow locals.

DAY 3

Today's the big day! Spend the morning at your leisure, to make your own adventure such as a fastboat ride around the famous docks area or a visit to the National Sculpture gallery, before we kick out for the big game.

Experience game day like a local with drinks and traditional pre-match snacks at your new local before we marvel in the sound and passion that emanates from either of these great stadiums.

Late night drinks and celebrations in the popular Glaswegion area of The Merchant City, where supporters of both clubs celebrate late into the night.

DAY 4

It's the morning after a match like no other. And win or lose (we're betting for a win), we'll be on a high. After breakfast at the hotel, it's time for goodbyes.

Until next time!
