4 DAY FOOTBALL ADVENTURE IN LIVERPOOL

**DURATION** 4 DAYS / 3 NIGHTS

**STADIUM** ANFIELD

**CONTACT** [HELLO@LOOKINGFC.COM](mailto:HELLO@LOOKINGFC.COM)

FOREVER REDS. There is no city of Liverpool without Liverpool F.C. Read it and weep. Since 1892 Liverpool F.C. have won 63 national and international titles and trophies. From Bill Shankly's Boot Room to players like Barnes, Dalglish and Rush, that 2005 night in Istanbul to lift their fifth European Cup to Klopp's glorious 2019-20 Premier League-winning side after a 30-year wait, Liverpool's future is as exciting as its past.

"There's no place on earth like Anfield. Even empty there is a special aura about it but filled with 54,000 fans, it's magic. The atmosphere on a match day is electric. The energy powers you on, you're almost physically part of the team, the 13th man. It doesn't matter if it's the League Cup against a Division Two team or that Champions League game against Barça, once you've seen Liverpool play at Anfield, no other experience compares." - Marvin, Reds fan

## DAY 1

No town is more synonymous with its football club than Liverpool. After check-in and a moment to chill at the hotel, you'll meet your trip companions and Trip Captain for the Looking FC Liverpool lowdown.

Then it's time to kick off and head out for an evening meal at one of the city's finest restaurants. We'll follow food with a Liverpool FC **Masterclass** from filmmaker and former agent for many famous Reds players, Helen Kerr. You'll hear exclusive stories, all the latest on one of the greatest teams in the world and understand why football is so important to this city.

Then it's out for drinks at a proper Liverpudlian pub before returning to the hotel for a well-earned rest.

## **DAY 2**

After breakfast at the hotel, we'll head to Anfield for the behind-the-scenes exclusive stadium tour. You'll enjoy iconic moments, get to sit in the manager's dugout, step through the tunnel and marvel at the trophy cabinet.

Next, it's lunch near the stadium or in the city centre, then we're off to more experiences with exclusive guided visits to Liverpool's famed art galleries and museums – from Tate Liverpool and the Maritime Museum to the UK's only Slavery Museum, the World Museum and the Walker Art Gallery.

Following a period to relax and refresh back at the hotel, your evening meal comes in the form of one Liverpool's finest restaurants serving Indian street food the way it should be, Mowgli.

You'll eat, drink and talk football before heading out into the Liverpoolian night in anticipation of the big game tomorrow.

## DAY 3

It's matchday, and that means the buzzing atmosphere in the city of Liverpool is like nothing else you've experienced before.

After breakfast at the hotel, this morning is dedicated to free time to explore any of the city's sights you fancy. Then it's all about football as you head to Anfield, with a walking tour of the famous player murals surrounding the stadium – from Gerrard to Clemence to Henderson – before tucking into a traditional Liverpool pie from HomeBaked.

Next up we give back to the community with a visit to the Fans Supporting Food Banks truck where you'll learn about the food bank programme and how important it is for the local community.

Now is your chance to experience the passion and atmosphere of a game like no other at iconic Anfield. Post-match, you'll join fans to celebrate at a supporter pub for drinks and food before heading back to the hotel for a well-earned sleep.

## DAY 4

It's the morning after a match like no other. And win or lose (we're betting for a win), we'll be on a high. After breakfast at the hotel, it's time for goodbyes - to the Red city, to Liverpool's fantastic team and to Looking FC.

Until next time!
